

**WILLMAR ELECTRIC SERVICE**  
DESIGN ⚡ BUILD ⚡ BEYOND

At Willmar Electric Service we are People Making a Difference for People.

We are looking for relatable people who crave structure and punctuality. Who live by the “Golden Rule” and are seeking an employer who is going to recognize you for the value you bring to the company and cares about you as a person, not just a number.

If you have the desire to learn and grow, you will have opportunities for advancement with Willmar Electric Service. As we grow and prosper, we want you to grow and prosper with us.

Willmar Electric Service is a 4th Generation Family Owned company who started electrical installation in 1920!

**Willmar Electric Service (WES) is accepting applications for an Electrician Apprentice in the following locations:**

**Willmar, MN**

**Lincoln, NE**

**Lawton, OK**

**Buffalo, MN**

**Omaha, NE**

**Applications and electrician survey can be completed online at:**  
[www.willmarelectric.com/employment](http://www.willmarelectric.com/employment)

**Wage: \$14.50 to \$22.50 an hour**

**Job Summary:**

An electrical apprentice installs, upgrades, renovates and completes other assigned electrical duties to produce the product requested by an owner or general contractor and under direction from a licensed Journeyman.

**Essential Functions:**

- Installation of electrical wiring, fixtures, and equipment.
- Measure, cut and bend conduit.
- Trace out short circuits in wiring.
- Make minor electrical repairs.
- Maintain tools and equipment.
- Work with the Foreman to set daily goals.
- Performs work in accordance with the National Electrical Code in a workmanlike manner.

**Minimum Qualifications:**

- Hold and maintain the state apprentice license.
- Have OSHA10 hour before beginning work on a site or the pre-fabrication workshop.
- High school diploma or GED.
- Attend continuing education classes to maintain apprentice license.

**Preferred Qualifications:**

- Enrollment in/completion of an electrical trade school program.
- Knowledge of hand/power tools, how to read meters and reading (understanding of) blueprints.

We aim to provide incredibly efficient and innovative solutions that extend far beyond what you'd expect from an electrical service company.

We are seeking someone who knows that profit is essential to a business and will do their best to be efficient in their day to day work so that the company can continue being a business of "People Making a Difference for People".
