

WILLMAR ELECTRIC SERVICE
DESIGN ⚡ BUILD ⚡ BEYOND

At Willmar Electric Service we are People Making a Difference for People.

We are looking for relatable people who crave structure and punctuality. Who live by the “Golden Rule” and are seeking an employer who is going to recognize you for the value you bring to the company and cares about you as a person, not just a number.

If you have the desire to learn and grow, you will have opportunities for advancement with Willmar Electric Service. As we grow and prosper, we want you to grow and prosper with us.

Willmar Electric Service is a 4th Generation Family Owned company who started electrical installation in 1920!

Willmar Electric Service (WES) is accepting applications for a Licensed Journeyman in the following areas:

Willmar, MN

Buffalo, MN

Lincoln, NE

Omaha, NE

Lawton, OK

Job Summary:

An electrical Master/Journeyman installs, upgrades, renovates and completes other assigned electrical duties to produce the product requested by an owner or general contractor. At designated times, a Master/Journeyman will direct the on-the-job electrical training of apprentices.

Applications and electrician survey can be completed online at www.willmarelectric.com/employment

Wage: \$27.50 to \$31.00 an hour

Essential Functions:

- Installation of electrical wiring, fixtures, and equipment.
- Terminate and set switchgear, panels, and other distribution equipment.
- The measure, cut and bend conduit.
- Layout and install wiring circuits.
- Trace out short circuits in wiring, along with troubleshooting other electrical issues.
- Perform minor electrical repairs.
- Maintain tools and equipment.
- Identify, evaluate and select prefab opportunities.

- Play and layout work for yourself and craft workers in your area, which includes directing electrical apprentices to learn and progress through the trade.

Minimum Qualifications:

- Hold and maintain the state issued Master/Journeyman license.
- Have OSHA10 hour before beginning work on a site.
- High School diploma or GED.
- Ability to utilize power and hand tools and read meters.
- Attend continuing education classes to maintain State Master/Journeyman license requirements.
- Ability to read and understand construction drawings and specifications.

We aim to provide incredibly efficient and innovative solutions that extend far beyond what you'd expect from an electrical service company.

We are seeking someone who knows that profit is essential to a business and will do their best to be efficient in their day to day work so that the company can continue being a business of "People Making a Difference for People".
